HEALTH CARE/FIRST AID

- A Camp Nurse is on duty at all times providing first aid, medication administration, and lots of TLC.
- Over-the-counter medicines will be administered as needed based on the Camp Physician's standing orders and the nurse's assessment of the situation.
- Please send only vitamins and/or prescription medications in original labeled containers with your camper.
- A health screening and a head lice check, is conducted with **each** camper during registration, all individuals attending camp need to be fever free for 24 hours prior to attending camp and come to camp with no sickness symptoms.
- Oregon Camp Cedarbrook carries secondary medical insurance for injuries occurring at camp, after your primary insurance coverage has been used.
- You will be contacted by the Camp Nurse if your child becomes ill or injured to the point where outside medical intervention appears necessary. You may be asked to come get your child during the week if they are sick. OCC does not have facility to house sick children for a long portion of time (ie the whole week.) You will have expected to pick up your child within a reasonable time frame (no longer that 4 hours). If you are unable or not in the area, we need an emergency contact on file.

QUESTIONS?

Contact:

Camp Director

Marjie "Tweety" Randall
director@oregoncampcedarbrook.com

Registrar, Dwight Larabee

registrar@oregoncampcedarbrook.com

NOTE: The Camp Director reserves the right to ask a camper to remove any body piercing, and cover any tattoo or bare skin that is considered to be offensive or a distraction to other campers.

CAMP ENDS

Saturday, June 24th
@ 11 a.m.

Plan to pick up your child
NO LATER THAN 12 p.m.

Exceptions must be **prearranged and approved** by the Camp Director.

MONEY

CAMP STORE MONEY: Campers deposit spending money during registration in their *Camp Store Account*, and draw from it like a debit card when they shop at the camp store. T-shirts, sweatshirts, novelties, snacks, pop stamps and personal items are available. Usually \$20-\$35 is an adequate amount. Campers can buy up to 2 snacks each day at the Camp Store.

MISSIONS OFFERING:

Every year we do a mission project, and information will be displayed at registration. If you would like to participate add this amount to your *Camp Store Account*. You will be given an opportunity to designate your offering amount. It will then be deducted like any other purchase from your available funds.

VISITORS

No visitors are allowed during the week unless pre-arranged at **least 1 week in advance** and cleared with Camp Director.

DIETARY NEEDS

If your camper has food allergies and/or has a special diet, you can pay an additional \$35 during registration for their substitutions or provide your own. If you have questions please contact Director@oregoncampcedarbrook.com

TRANSPORTATION

You are responsible for your camper's transportation to and from camp. A map is enclosed.

If you are not picking up your own child, please make sure the transporting adult's name is on

PICTURES

We know that you LOVE pictures of your child, but we won't be posting any pictures of your child on social media during the camp week. WHY?! Because we want THEM to be the first to tell you all they did and all the fun they had. All photos will be uploaded after camp (in August) to our registration platform. You will receive an email nightly from our Camp Director about what the day was like at camp.

A LOUSY NOTE FROM THE CAMP NURSE

Head lice has been known to reach epidemic proportions in the schools and in our communities. In order to protect our campers, Oregon Cedarbrook Camp staff will be conducting head inspections for all incoming campers during the check-in process. We will be unable to register any camper on whom we find any sign of head lice, including egg cases (nits).

Please, please, please inspect your child's head at least one week before camp starts. If you discover any sign of head lice, this will give you time to treat and de-louse your child, and will save them the embarrassment and disappointment of not being admitted to camp.

Look primarily at the base of the neck along the hairline and around the ears for nits. Eggs are usually shiny white; it is very unusual to see the lice themselves, which are tiny and black. If you do find positive signs, call your pediatrician about treatment for head lice.

THANK YOU for your help! We want every camper to have a safe, healthy time at Oregon Cedarbrook Camp this summer.

~Oregon Camp Cedarbrook Nurse
